

Eco Warriors Minutes 24.05.23

Attendees: Caine, Jemima, Bonnie and Tillie

Apologies: Only 4 allowed to trip

1. Announcements

- Trip to Canolfan Cymro to see other Platinum Eco Teams!

2. Discussion

- We learned about what is happening to our world warming up and ways we could reduce this
- We talked about how amazing seaweed is and learned facts about how it helps our oceans then we got the chance to eat different types of seaweed including Laverbread.
- We had a picnic outside and played on the field
- We did a soil experiment to see what our soil is made from
- We had a visit from borrow bus and why they are so good for our environment
- We had a visit from an environmentalist working with Yr Wyddfa and discussed all the ways we can reduce litter on the mountain. We learned facts about how long it takes to break down plastics and came up with ideas of our own to reduce litter. Our team name was Yr Wyddfa Guardians.

3. Actions

4. To do for next week:

- Half term next week please make sure you log onto google classroom to catch up on all the minutes
- Week after half term we will be getting our Energy meter readings with Mr Jones and preparing for BLACK OUT DAY!
