Taster Session for our Duolingo Club.

**III. Assignments / Actions**

The numbers were a bit low for our taster session today, but there were a lot of children off poorly from school. The children are still wanting to hold a Duolingo Club every week, so today was a good practice session for them to get familiar with the Duolingo App. They have decided to let the children choose between French or Spanish themselves. The children are going to remind the children that we will be holding a Duolingo Club and ask the children in their own classes what day they would they prefer and the majority of all votes will be the successful day. Mrs Jones is to announce in service the chosen day after our half term break and it will be on a first come basis.

**IV. Safeguarding / Wellbeing**

All the children who attended today were happy to be at the meeting.

**V. Next Meeting**      Date: 17.2.25
