EMR introduced new members to the group. EMR leads discussion on handwriting policy. To decide what the school council like and dislike, they have indicated in green and purple highlighters. Any thoughts on how the policy can be improved has been annotated using purple pen.

Point arisen out of school council meeting regarding the policy:

- The school council agrees with how they feel they receive help no matter their ability and are catered for.
- The school council feel they are always challenged and supported with their handwriting.
- The school council have noted how the LO is written in the books during lesson, however this now needs amending as classes are no longer writing LO's in their books.

SB introduced Young Promoters project where the School Council will learn the skills of organising, promoting and budgeting in order for the production (African show) to take place on 12th April at Ysgol Maes Owen. There will be 5 sessions with a Young Promoter representative visits the school **every Thursday** to deliver these sessions. Also, the possibility of have a workshop delivered on the same day to enhance the pupils experience at a £200 cost.
