II. Agenda Topics

- Welcome back!
- How should we monitor feedback across the school?
- Conduct a learning walk.
- Create a survey for learners to complete on Google Classroom.

III. Assignments / Actions

SB introduced how we are going to monitor feedback across the school.

Eliza has suggested that we will prepare a survey for learners to complete about what they think about feedback in classes.

Elizabeth has suggested to interview children and teachers about feedback across the school. Today we need to write questions for our interviews to happen in the next school council meeting.

The council agreed to begin looking into feedback by taking photos around the school and in classes of where feedback and pupil voice is happening. And then to create a pic collage of our findings about feedback across the school.

Next, we need too....

- Write interview questions
- Interview children and teachers
- Create a survey for all learners to complete individually
- Timetable use of the ICT suite for the survey to get completed
- Timetable school councilors to monitor and help classes in the ICT suite.

IV. Safeguarding / Wellbeing

All ok. Looking forward to lots of exciting things happening this term!
