Lucas will pass on the message to other school councilors to see Miss Blears about missing this meeting.

School council designed questions to ask teachers and learners about #FriendlyFeedback. We have decided to interview every teacher and bring the

feedback back to the next meeting. Also, we are interviewing two children from each class about how they receive feedback in their classes.

We have finished creating a survey about children to individually complete on Google classroom. Deadline for the survey is Midday Monday 29th January.

School councillors have agreed to help and tell their class about the questions.

Miss Blears has emailed information to teachers about the survey.
