- Newsletter prep for end of the half term
- Gathering quotes from the classes to put on the december newsletter

III. Assignments / Actions

On sticky notes, the school council have discussed what went well and what could be improved. Their discussions are below:

What went well?

- Sold out of the sweetie mugs really quick.
- Lots of customers
- Made a lot of money £1.50 x 100 = £150

- Had a good system - ordered the mugs in number order to make them easier to find.

How can we improve?

- More children with the change pots because then it would be quicker to get the customers change.
- Need more posters (bigger ones) to promote on the day.
- Queuing system - manage the amount of customers asking questions
- Morris broke a couple of mugs before we started - have some backups prepared

Newsletter prep - we are deciding to put in these points:

- Our christmas selling lots of mugs - making £150
- Deciding our #HASHTAGS
- Quotes from the children in the classes about what they have ENJOYED learning about this term.

IV. Safeguarding / Wellbeing
