Minutes/Notes – 8th June, 2023

Agenda:

- **Welcome**

CF welcomed everyone

Recapped on last meetings minutes

- **Parent/Guardian Feedback – what is going well and how can we do better?**

A parent/Councillor arranging for the school council to go to Bodlonddeb.

Asking if it would be possible to arrange another trip to the Senedd.

Mrs Foulkes asked how many could go to the Council Chambers here and arrange class trip there. Mrs Foulkes to look into it and asked the Parent/Councillor to attend - available Tues, Weds and Thursday.

Ideas given for free/cheap days/afternoons out. Garden centre or Tir Prince were suggested. Beach is local enough, Baysville café might help with hiding painted stones, litter picking etc.

Discussion around the wide range of opportunities Year 6 experience as they leave our school in the last few weeks. Mrs Foulkes to speak with Mrs James to see whether she has had chance to speak with our Head Cook to see whether we can fit in a Leaver's Lunch or not.

One or two parents have been concerned about the 'sex ed' lessons as they may have been told too much, although they seem ok now. Mrs Foulkes reassured them that it is more about body parts and the correct names. Leaflets have already been shared and are still available if needed.

Two parents are happy to help with the PTA – Parent Governor to pass the names on to Mrs James.

Some Yr2 parents previously have been found the step to yr 3 a bit harder as they have the class dojo in y Foryd, what can we do to reassure them when they first came up? Mrs Foulkes has said that we are due to do a big drive on Google Classroom for yr 2/3 parents for Autumn Term in addition to Twitter and all other current forms of communication.

Perhaps use the signboards to advertise any clubs or events (wear something red, what club is on) etc. JMW to delegate to pupils in B/fast club. Mrs Foulkes told parents about the St Mary's summer play scheme. Mrs Foulkes to email out the information to families today.
