II. Agenda Topics

- Evaluating and Creating a powerpoint presentation for #MegaMaths Results
- Investigating what our classmates think about #FriendlyFeedback.
- #FriendlyFeedback Survey
- Interviewing learners about #FriendlyFeedback
- Emailing MP Gill German secretary to visit the House of Commons in London. How do we book?

III. Assignments / Actions

- Miss Blears shared the results from the #MegaMaths survey. All classes contributed to getting the survey completed.
- Alice, Piper & Aliylah to complete a Powerpoint Presentation to show the results.

- We have decided on questions to ask learners about what they think about #FriendlyFeedback.
- We completed the questions and we are ready to share with classes.
- This week, school council are to share the survey with classes. Learners are to complete it INDIVIDUALLY. It is best to do this by having the school councillors log in on an ipad and answer the questions one at a time with a classmate.
- Deadline for survey - March 21st.
- School Council are to also interview 2 classmates from each class for their opinion on #FriendlyFeedback. The questions are:

1) How do you know how to improve your work?

2) Do you like using purple pen to review your work? Explain why

3) What do you think about the new traffic light colours we are using to reflect on our work?

- School council are to write down responses to the questions and hand them to Miss Blears by the next meeting on March 10th.
- Robyn and Memphis to write and draft an email MP Gill German Secretary about how we apply to go to the House of Commons in London.
