II. Agenda Topics

- Whole School Rewards
- Numeracy walk around the school

III. Assignments / Actions

- The school council have reviewed the whole school rewards for this next half term they are going to be, **Disgo Gwanwyn, Parti Pajama, Crefft y Gwanwyn**
- Whole school targets are **#FriendlyFeedback, #MegaMaths # CymraegCwl** are our targets. This term we are going to focus on **#MegaMaths**.
- We can do an audit / learning walk around the school, listen to learners and create a numeracy maze.
- School Councillors have asked their classes, what questions could we have in our numeracy trail around the school? School councilors brought post stick notes this this meeting. Some ideas are; Numeracy Questions to make up a code,

Numeracy questions to make up a word, a numeracy competition between classes for NSPCC Number Day

- Numeracy trail questions: $12 \div 3 = 4$. How many sides are on a triangle and a square together = 7. The answers will reveal a letter. When all questions have been answered, it will reveal a word. We have decided that we need a set of questions for Year 3 /4 and a separate set for Year 5 /6
- Did a numeracy walk around the school and took photos of numeracy happening in classes.
- Made a child-friendly action plan of how to improve numeracy

Safeguarding / Wellbeing
